

# R2D2 Food Scrap Bin

## Faster

Instant food scrap removal during food prep. Improves bottom line.

## Ideal Size

35L is proven for food scraps.

## User Friendly

Adjustable height allows easy positioning under any bench top so food scraps slide straight in.

## No Mess

Collection companies love this no mess system.

## Saves money

Remove bin cleaning and landfill costs.

## Easy To Move

Follows food prep around the kitchen.

## Odour Free

Hygienic BioBag compostable liner.

## Compliance

Council food safety officers will be impressed.
