

## DESCRIPTION:

**Grape Wash**® enhances finish and gloss on all paint types. Ideal for hand car washing and maintaining vehicles between waxing. Biodegradable and environmentally friendly – Environmental Choice Certified. Does not contain silicone.

## DIRECTIONS:

Pour 125ml (1/2 cup) into a clean 20ltr wash bucket, add cold water, mix to create suds. Hose down the car with water to soften dirt. Use a wash mitt or sponge to apply the car wash. Start washing from the roof down. Wash thoroughly removing all dirt and road film, rinsing out the wash mitt or sponge regularly. Rinse suds off with low pressure free flowing water. On hot days, rinse off small sections of the car at a time to prevent suds drying. For best results always dry off excess water with a chamois or a towel to prevent water spotting.

## APPLICATIONS:

Hand vehicle wash.

## PROPERTIES:

Thick purple liquid with pH of 7.

### Available Sizes:

**GX4**

**GX20**

**GX9**

### OUR VISION AND MISSION

To be the leading value-based provider to the market. We have a dedicated team to achieve excellence for our customers and a philosophy of total quality. We conduct business and create relationships in an ethical and sustainable manner with customers, our community and the environment. The value we provide our customers is the opportunity to increase profit through lower cost solutions that do not sacrifice quality or service.

### ENVIRONMENTAL POLICY

Pacer is committed to leading the industry in minimising the impact of its activities on the environment. The key points of our strategy to achieve this are: Purpose built premises utilising energy efficient technology and rain water collection. Actively promoting recycling both internally and amongst our customers and suppliers. To develop and promote a product range to minimise the environmental impact of our products. We are constantly evaluating and looking at substituting to a more environmentally friendly composition of raw materials for our products. To meet or exceed all the environmental legislation that relates to our industry.

### DISCLAIMER
