MATERIAL SAFETY DATA SHEET

Marketed By	Mighty Imports NZ Ltd
Address	27A, Wilkinson Road, Ellerslie ,Auckland – 1060 New Zealand
Tel	+64 22 4119524
email	sales@mightyimports.co.nz

SECTION 1: Identification of the substance/mixture and of the company/undertaking	
Product Name:	Industrial Hand Cleaning Paste/Safety Skin Paste
Identified Uses:	Industrial Hand Cleaner to remove Grease, Mineral Oils, and Furnace Oils Quenching Oils, Lubricating Oils, Fat Solvents, Carbon Soot, Dye Impression etc.

SECTION 2: Hazards Identification	
Physical Hazards:	None
Health Hazards:	None
Environmental Hazards:	None
Other Hazards	This product does not contain any other hazardous substances.

SECTION 3: Composition/Information on Ingredients	
Mixtures:	Quartz Particles, Natural Oils and Glycerine
Chemical Name	

SECTION 4: First Aid Measures	
First Aid Skin	Not likely to be required.
First Aid Eyes	Rinse Eyes with water.
First Aid Ingestion	Small amounts not injurious, call physician in case of large amounts

Inhalation	No specific symptoms known
Skin Contact	No specific symptoms known, does not decompose when stored
Eye Contact	May cause temporary irritation
Ingestion	No specific symptoms known
Notes for the doctor	No specific recommendations.

SECTION 5: Firefighting Measures	
Suitable Extinguishing Media	The product is not flammable. Use fire-extinguishing media suitable for the surrounding fire
Combustion products	No known hazardous combustion products
Protective actions during firefighting	None

SECTION 6: Accidental Release Measures	
Personal Precautions	Avoid contact with eyes. Restrict access to Area (slip hazard). Breathing apparatus for fire only
Spill or Leak	Collect material for reuse or disposal
Methods for cleaning up	Dilute (substance may be washed to drain with a lot of water).
Disposal Considerations	Disposal in accordance with local legal provisions.

SECTION 7: Handling and Storage	
Usage precautions	Avoid contact with eyes.
Storage Precautions	Store in cool place, away from heat sources and direct sunlight. Keep lid closed
Specific end use(s)	Industrial Hand Cleaner to remove Grease, Mineral Oils, and Furnace Oils Quenching Oils, Lubricating Oils, Fat Solvents, Carbon Soot, Dye Impression etc.

SECTION 8: Exposure Controls/Personal Protection	
Occupation Exposure Limits	Not relevant
Controls	An eye wash bottle should be available in the immediate work area
Eye/Face protection	Not relevant
Protective Gloves	Not relevant
Respiratory protection	No specific recommendations

SECTION 9: Physical and Chemical Properties	
Appearance	Cream Paste with almond odour. Contains mixture of soft soap and natural oils. Contains rounded inert quartz
Colour	Cream Color (Color may change but color has no effect on the performance of product)
Physical State	Cream Paste
Odour	Almond
Active Ingredients	92%
Solvents	None
Boiling Point	Not established
Freezing Point	Not established
Vapor Pressure	N/A
Flash Point	None
Flammable Limits	N/A
Specific Gravity	1.300 – 1.500
Evaporation at ambient	Negligible
pH	9.5 – 10.5
Miscibility in water	Apart from Silica component miscibility is complete
Environment	When used in the prescribed manner at the recommended dilution the product will not be harmful to the environment
Packaging	200gm, 400gm and 3kg Cartridge with Dispenser

SECTION 10: Stability and Reactivity	
Reactivity	There are no known reactivity hazards associated
Stability	Stable at normal ambient temperatures
Hazardous decomposition products	Does not decompose when used and stored as recommended

SECTION 11: Toxicological Information	
Effects of Acute Exposure	Not harmful at room temperature
Ingestion	Possible mild nausea
Effects of chronic exposure	No evidence that this product is a mutagen, carcinogen or teratogen.
Eye Contact	Vapors produced during burning may cause eye irritation

SECTION 12: Ecological Information	
Ecotoxicity	Not regarded as dangerous for the environment
Persistence and degradability	Unlimited shelf life and major ingredients are biodegradable and will not accumulate in soil or water or cause long term problem
Other adverse effects	No ecological problems are expected when the product is handled and used with due care

SECTION 13: Disposal Considerations	
Disposal Method Product	Disposal in accordance with local legal provisions.
Disposal Method Packaging	Disposal in accordance with local legal provisions

SECTION 14: Transport Information	
Marine Pollutant	No
Class	N/A
Subsidiary Risks	N/A
Trem card Number	N/A

SECTION 15: Regulatory Information	
EEC Hazard Classification	N/A
Risk Phases	None
Safety Phases	None
National Legislation	Not controlled

SECTION 16: Other Information	
Revision Comments	Revision date TBA prior to formulation change if any

All information given is in good faith but without guarantee of accuracy. Users must familiarize themselves with the information contained in the MSDS and determine usability and suitability prior to commencing use of the product.
