

Dear Stephanie

How wonderful - the rain is taking a holiday and the sun has fought it's way out.

This month I have been busy working out how to use the different social media marketing programs available. It's certainly opened my eyes to a whole new world. We now have daily specials on our website that I actively promote on Facebook and Twitter (to follow us please see the links below).

I had an enquiry a couple of days ago from a school looking at selling toilet paper as a fundraiser - what a fabulous idea! Surely it beats the standard chocolate, pizza etc. If you are looking for a different fundraising product - give us a call and lets see what we can do! In fact our 50ml hand sanitiser bottles are ideal for use as a fundraiser or corporate gift. We are very flexible and are happy to 'think outside the square'.

August Product Special

Coughs and colds are all around us at the moment so for this month I thought I would offer Earthcare tissues as our special.

Earthcare tissues are made from 100% recycled paper yet are surprisingly soft and white. There are 4 different box designs that will blend in anywhere.

Each box holds 200 tissues, a carton holds 32 boxes. Boxes are available for individual sale, mention this newsletter and I'll give you a special price.

This months special: Earthcare tissues. Carton price usually ~~\$64.00 + GST~~ This month **\$59.00 + GST** [BUY NOW](#)

Interesting fact!

According to the Packaging Council of NZ, New Zealanders consume about 735 thousand tonnes of packaging every year and recycle about 58% of it.

Always wondered what to do with your old tissue boxes? This website has some interesting suggestions
<http://www.thriftyfun.com/tf335741.tip.html> - I had never thought of using the pretty boxes for storage!

Unusual video!

These kittens have found a fun way to use a tissue box!
<http://www.youtube.com/watch?v=vdQj2ohqCBk> Oh so cute.

Follow us on Twitter and Facebook for our daily specials

Have a fabulous August!
