

The first part of this year has been very busy for us as the company has grown and developed (not to mention I got married!). This has meant I have been very slack with sending out my newsletters. So I will make up for this with a great special this month!

We have introduced a great range of cleaning products from QualChem. Many of these are endorsed by Environmental Choice NZ. We have also worked hard with our suppliers and increased our range of biodegradable cups/plates/cutlery and trays at much improved prices.

From QualChem we have introduced an Orange Based Cleaner and Dishwashing Detergent at great prices as well as a No-Rinse Sanitiser with NZFSA approval. We will gradually be introducing more of their products into our range.

August Product Special

My supplier has offered an exception price on their Latex Unpowdered Gloves. Take advantage quickly while stocks last.

Orange Based Cleaner is a powerful All Purpose hard surface biodegradable cleaner containing natural D Limonene orange peel solvent. Use it to clean and degrease floors, walls, concrete, toilets, hand basins and all washable surfaces. Can be used for sanitisation. Orange Based Cleaner has Environmental Choice NZ Certification and NZFSA C32 rating. To introduce the new Orange Based Cleaner into our range I am offering it for a special price.

5Litres concentrate ununsally ~~\$31.29 + GST~~ - for August only \$27.00 + GST

Don't forget we are always happy to answer questions or to source new products if you need something in particular.

Have a fantastic August.
