

Dear Stephanie

Spring has arrived!

Good news - I have just been reading in a media release by the Ministry of Health on the 30th August that we may be starting to have a decline in cases of influenza, especially in the North Island. Unfortunately there have been 609 hospitalizations of people with pandemic influenza H1N1, with 99 of those needing intensive care. A total of 12 confirmed deaths from swine flu H1N1.

One of the most important things you can do to avoid catching a virus is to wash and dry your hands frequently.

The last month has brought in a number of enquiries about our hand sanitiser as more businesses are realising the necessity of hand sanitisers to keep their staff healthy.

September Product Special

One of the biggest costs to businesses is wages and if you are having to pay your staff for sick days this is not very cost effective.

Hand sanitiser has been proven to reduce staff and student absenteeism due to illness.

D-Germ hand sanitiser is alcohol free - it will not sting your hands or dry them out! D-Germ is also fragrance free so do not get an overpowering smell when you apply it to your hands. As a foaming product you get more applications than you do from an alcohol gel.

Wall dispensers and 500ml bottles are refillable using either a 2.5L bottle or for heavy users a 10L bottle - very cost effective!

This months special: D-Germ Hand Sanitiser 1.2L wall dispenser filled with product. Usually ~~\$26.50 + GST~~ This month **\$21.00 + GST** [BUY NOW](#)

Interesting fact!

The average U.S. citizen uses 300kg of paper annually. * sourced from Zero Waste New Zealand Trust

I have just been told about a website for people to give or receive unwanted items for free. The idea is to recycle things you don't want. Instead of throwing away items you can advertise them for free and if someone is interested they can come and pick it up. No money is exchanged and we help reduce landfill - a win win for all! Check it out at www.freecycle.co.nz.

Follow us on Twitter and Facebook for our daily specials

Have a fabulous September!
